

Personal Statement & Supplemental Essay Waiver Form

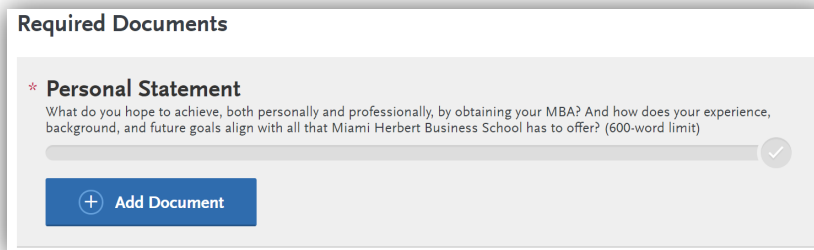

Application Term: Spring 2023

Program: Executive MBA in Health Management and Policy

The Graduate Admissions Committee has granted approval for your admission interview to be considered in place of a personal statement. The interview, like the personal statement, is an opportunity for us to learn more about your background, professional experience, interest in pursuing an MBA, and what you hope to gain from the program.

Instructions for Use:

- Access the BusinessCAS application at <https://bus.miami.edu/apply>
- Under the **Program Materials** section, access the **Documents** tab
- Click **Add Document** to upload this form in place of your **Personal Statement** in the **Required Documents** section

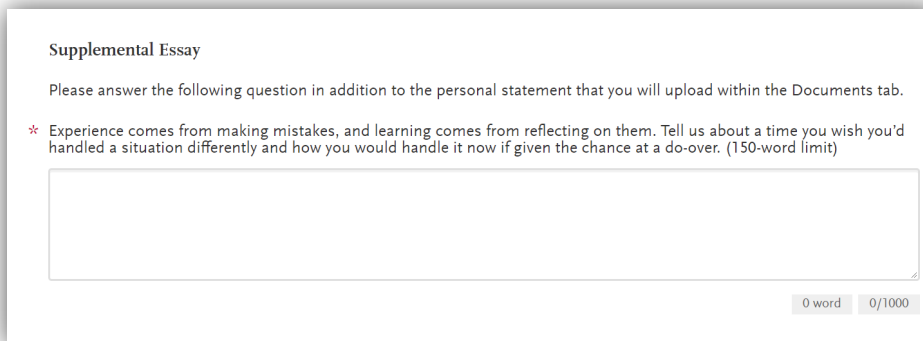

Required Documents

★ **Personal Statement**
What do you hope to achieve, both personally and professionally, by obtaining your MBA? And how does your experience, background, and future goals align with all that Miami Herbert Business School has to offer? (600-word limit)

+ Add Document

- Under the **Questions** tab (also located in the Program Materials section), type “**See Attached**” in the **Supplemental Essay** box.

Supplemental Essay

Please answer the following question in addition to the personal statement that you will upload within the Documents tab.

★ Experience comes from making mistakes, and learning comes from reflecting on them. Tell us about a time you wish you'd handled a situation differently and how you would handle it now if given the chance at a do-over. (150-word limit)
